Taxation Switzerland

Swiss Federal Stamp Duty	Secondary market transactions are not subject to Swiss stamp duty.
Swiss Federal Income Tax	For tax purposes this Product is classified as transparent, where the majority of the return of the bond part is in the form of a discount or of one payment on the Redemption Date (IUP). Therefore, for private investors with tax domicile in Switzerland holding the Product as part of their private property, the Interest Component of the coupon on the respective payment date(s) and the increase of the value of the bond part (according to the "Modifizierte Differenzbesteuerung") at sale or at Redemption are subject to the Federal Direct Tax. The present value of the bond part at issue is the Bondfloor per unit. However, any gain derived from the option is considered as capital gain and is therefore for such taxpayers not subject to the Federal Direct Tax. The tax treatment regarding the cantonal and communal income taxes can differ from the tax treatment regarding the Federal Direct Tax. But in general the income tax treatments are corresponding.
Swiss Withholding Tax	The Product is not subject to the Swiss withholding tax.
EU Savings Tax	For Swiss paying agents, the Interest Component is subject to the EU savings tax (TK6).

Depending on the type of Underlying, the above tax assessment can be subject to changes

The tax information is a non-binding summary and only provides a general overview of the potential tax consequences linked to this Product at the time of issue. Tax laws and tax doctrine may change at any time, possibly with retroactive effect.

Investors and prospective Investors are advised to consult with their tax advisers with respect to the Swiss tax consequences of the purchase, ownership, disposition, lapse or exercise or redemption of a Product in light of their particular circumstances. The Issuer, the Guarantor and the Lead Manager hereby expressly exclude any liability in respect of any possible tax implications.

Updated bondfloor information, if a bondfloor is applicable to the Product (according to "Product Details" and "Taxation Switzerland" herein), can be found on the following web page of the Swiss Federal Tax Administration (FTA): www.ictax.admin.ch

References to the Guarantor and/or the Payment Undertaker are applicable if the Product is secured by any such party, as shown in section "General Information" herein.

Product Documentation

Only the Final Termsheet in English language together with the Programme containing all further relevant terms and conditions, as amended from time to time (the "Programme"), shall form the entire documentation for this Product ("Product Documentation"), and accordingly the Final Termsheet should always be read together with the Programme. Definitions used in the Final Termsheet, but not defined therein shall have the meaning given to them in the Programme.

Notices to Investors in connection with this Product shall be validly given in accordance with the terms and conditions of the Programme.

During the whole term of this Product, the Product Documentation can be ordered free of charge from the Lead Manager at Brandschenkestrasse 90, P.O. Box 1686, CH-8027 Zurich (Switzerland), via telephone (+41-(0)58-800 1000), fax (+41-(0)58-800 1010) or via e-mail (termsheet@efgfp.com).

Risk Factors Relating to the Product

The risk of loss related to this Product is similar to an investment in the Underlying. Therefore, the Investor could lose the total capital invested if the Underlying value falls to zero. However, the Investor will always receive the Coupon Amount for the Product irrespective of the redemption scenario applicable.

Additional Risk Factors

Prospective Investors should ensure that they fully understand the nature of this Product and the extent of their exposure to risks and they should consider the suitability of this Product as an investment in the light of their own circumstances and financial condition. Products involve a high degree of risk, including the potential risk of expiring worthless. Potential Investors should be prepared in certain circumstances to sustain a total loss of the capital invested to purchase this Product. Prospective Investors shall consider the following important risk factors and see the section "Risk Factors" of the Programme (pages 5 et seq.) for details on all other risk factors to be considered.

This is a structured product involving derivative components. Investors should make sure that their advisors have verified that this Product is suitable for the portfolio of the investor taking into account the investor's financial situation, investment experience and investment objectives.

The terms and conditions of the Product may be subject to adjustments during the lifetime of the Product as set out in the Programme.

Investors whose reference currency is not the clearing currency should be aware of their possible currency risk. The value of the Product may not correlate with the value of the Underlying(s).

Risk Factors relating to the Issuer/Guarantor/Payment Undertaker

Investors bear the credit risk of the Issuer and the Guarantor and/or the Payment Undertaker of the Product. The Products constitute unsubordinated and unsecured obligations of the relevant Issuer and/or the Guarantor and/or the Payment Undertaker, as the case may be, and rank pari passu with each and all other current and future unsubordinated and unsecured obligations of the relevant Issuer and/or the Guarantor and/or the Payment Undertaker. The insolvency of each of the Issuer and the Guarantor and/or the Payment Undertaker may lead to a partly or total loss of the invested capital.

Secondary Market

The Issuer and/or the Lead Manager or any third party appointed by the Issuer, as applicable, intends, under normal market conditions, to provide bid and offer prices for the Products on a regular basis. However, the Issuer and/or the Lead Manager, as applicable, make no firm commitment to provide liquidity by means of bid and offer prices for the Products, and assume no legal obligation to quote any such prices or with respect to the level or determination of such prices. In special market situations, where the Issuer and/or the Lead Manager is/are unable to enter into hedging transactions, or where such transactions are very difficult to enter into, the spread between the bid and offer prices may be temporarily expanded, in order to limit the economic risks of the Issuer and/or the Lead Manager.
